Paychecks Like This? →

You Need to Know!

- Local payroll offices will no longer have the ability to cut checks.
- Only the UCPATH Center will be able to process paychecks.
- Once UCPATH goes live on our campus, all paper paychecks will be issued from the UCPATH Center in Riverside on payday, and mailed to your home.
- Paychecks could be unavailable for several days after payday (depending on USPS delivery).

WHAT CAN YOU DO?

- Enroll in Direct Deposit and have access to your funds on payday.
- Pay Cards are another option for employees who want access to their funds on payday.
- A Pay Card is similar to a debit card and it's free!
- Funds are loaded on the card each payday, and recipients can cash out the balance in any Visa network bank, or “spend down” the amount of the card anywhere Visa cards are accepted.
