# What is a Contingent Worker?

CWR designation is used for a person that is providing services to UC San Diego on a non-permanent basis or is potentially paid by a third party and does not receive compensation through UCPATH.

CWR designation allows for the tracking and management of certain populations' relationship with the University.

- Not an Employee
- Not paid through UCPATH
- Not be used as a bridge for future hires waiting on work authorization

# Qualifying Populations for CWR

- **Independent Contractor/Consultant\***
- Research Associate
- Research Fellow
- Staff Emeritus
- Staff Volunteer
- **Temp Agency Staff – Health\***
- **Temp Agency Staff – Non UC\***
- UC Employee – Different Business Unit
- Visiting Scholars
- Visiting Student Researcher – Grad
- Visiting Research Scholar Intern (Undergrad)
- Volunteers (excluding Health Professional Schools)

**\*Independent Contractor/Consultant or Temp Agency Staff populations should only be entered in UCPATH if they will be transacting in UCPATH or supervising UC San Diego employees.**
