

NEW WAY TO RECEIVE YOUR PAY

UC Pay Card

UCPath provides UC San Diego the opportunity to offer the UC Pay Card as an alternative to receiving a paper check through the mail or traditional Direct Deposit to a bank account.

There Are Many Reasons to Consider the New UC Pay Card

- **Acts like a debit card**, without establishing a bank account.
- Once UCPath is live*, funds are **automatically loaded onto pay card** and **available on payday**.
- **No lost checks, overdraft fees, or pay check-cashing fees** when used at in-network locations.
- **Pay bills online or by phone** using standard bill pay feature.
- **Accepted anywhere** Visa is accepted.
- Can be used as one of your **three (3) Direct Deposits** options.
- Designate the **full amount or a partial amount** of your check onto the card.
- **Funds are secure**; no need to carry large sums of money.
- **ATM withdrawals** available at nearly 70,000 in-network locations.
- **Receive cash back** with transactions at participating retailers using your PIN code.
- Manage your card **online or via phone app**.
- Unions currently participating in UC Pay Card option: **BX, CX, NX, PX, and K6**.

*Enrollment in the UC Pay Card is available after June 1, 2020 to non-represented employees and certain represented employees.
