#### **Best Practices**

Can this be fixed **locally** or does it need to be done by **UCPC**? If using Manage Accruals, understand which Action to use and +/- value impacts

2

Use the Payroll Processing Schedule to determine the **deadline** 

3

- Determine if you can fix it through **timekeeping**
- Determine if you need to submit an Accruals & Service Adjustment eForm or submit an inquiry to UCPC

- Adjustment location owned balances
- Other FMLA/CFRA/PDLL balances
- Take/Hour prior period adjustments
- Payout Comp Time/PTO payouts

 Deadline to affect the current pay cycle is the Inbound Files deadline
