

UCPATH FOR ACADEMICS

UCPath is coming to UC San Diego. This new platform provides a new, easy, more accessible user interface; giving you the ability to update your personal information, set up direct deposit, check your sabbatical credit balance, and more.

Here are some of the benefits that UCPATH will bring to the UC San Diego Academic population.

Access the UCPATH Self-Serve Portal

You will have access to the UCPATH Self-Serve Portal.

- Replaces many AYSO functions
- Available 24/7
- Optimized for any device: computer, phone, and tablet

Update your Personal Profile

You will be able to update your personal information directly in the UCPATH Portal.

- Update your Personal Information
- Register a Marriage or Birth
- Change your Direct Deposit and Tax Withholdings

Flexible Direct Deposit

Direct your earnings to multiple accounts.

For Example, you can direct your earnings to:

- A bank checking account
- A mortgage payment
- A bank or credit union savings account
